

## COVID-19 Return to Services and School Plan Revised 10/1/20

## Return to Services and School Committee

Andrew Dick, Administrator Laura Barrett, Director of Special Projects Jadie Beam, Director of Professional Learning Pam Brezenski, Director of Special Education Katie Carrizales, Director of Psychological and Behavioral Health Danielle Cole. Director of Title 1C Education Donna Jenne, Director of Head Start Nici Johnson, Director of Early Childhood BJ Peters, Director of Technology George Schlothauer, Director of Alternative Education Jessica Broderick, Assistant Director of Special Education Carol Sinner, School Nurse Kristin Bauer, Head Start Health & Nutrition Coordinator Fermin Hernandez, Facility and Fleet Manager Crystal Smith, Human Resources Manager Desira Martin, Executive Assistant to the Administrator

The purpose of this document is to provide a framework for how ESU 13 will respond to the COVID-19 pandemic during the 2020-2021 school year. The framework is structured using tiers that align with the Panhandle Public Health Department's (PPHD) Risk Dial, and is designed to allow for flexibility and responsiveness to changing public health circumstances. PPHD will update the Risk Dial weekly on Mondays. Changes from one tier to another in the Risk Dial will generally be implemented on the Monday following the Monday release of the updated dial; however, extenuating circumstances may warrant more immediate implementation of a particular tier of the Risk Dial or no change at all. It is important to remember that the Risk Dial is merely guidance and a change in the dial will not automatically result in a change of which tier ESU 13 adheres to within this plan. For more information about the Risk Dial, please visit www.pphd.org. The Return to Services and School Plan is subject to change based upon guidance from local public health officials, the Nebraska Department of Education, or the Governor's issued directed health measures. Any changes or deviations from the plan will be communicated to staff.

## Potential Scenarios & Potential Responses to Elevated Risk Levels

ESU 13 recognizes that while it is best practice to have responses planned and to be prepared for a wide range of scenarios, individual health situations are unique and private information. ESU 13 will work with the staff to develop the best possible response to the scenarios that actually occur and reserves the right to act in the best interest of the health of all staff of ESU 13.

1 or more confirmed case(s) of COVID-19 of ESU 13 office staff member at the same location.	<ul> <li>ESU 13 will immediately consult with the Panhandle Public Health District (PPHD) for guidance on operational procedures.</li> <li>A more restrictive working environment may be implemented, which may include elevating the "risk dial operational zone," a short-term, or a long-term facility closure.</li> <li>The sanitization plan will be executed by custodians to sanitize and disinfect the facility.</li> <li>Staff members identified as close contacts must self-quarantine for 14 days from last exposure, per guidance from PPHD communication.</li> <li>Quarantined or isolated ESU 13 staff members will work remotely from home, unless the staff member is unable to do so due to illness or due to the position.</li> <li>If the isolated staff member is unable to work remotely, due to a confirmed case of the virus, the staff member will apply for FFCRA and/or sick leave.</li> <li>The staff member testing positive must isolate until cleared by PPHD to return to work which will include at least 24 hours with no fever (without the assistance of medication) and all other symptoms have improved. The self-isolation of the staff member will be for a minimum of 10 days from when symptoms first appeared.</li> </ul>
1 or more confirmed case(s) of COVID-19 in the immediate household of an office staff member.	<ul> <li>The staff member must self-quarantine for 14 days from last exposure, per guidance from PPHD communication.</li> <li>Quarantined ESU 13 staff members will work remotely from home, unless the staff member is unable to do so due to illness or due to the position.</li> <li>If the quarantined staff member is unable to work remotely, due to a confirmed case of the virus, the staff member will apply for FFCRA and/or sick leave.</li> <li>The staff member must submit a return to work letter from PPHD.</li> </ul>
Confirmed exposure of an office staff member or travel by a staff member to a "hot spot" location impacted by the COVID-19 virus.	<ul> <li>ESU 13 will consult with PPHD. If directed, the staff member must self-quarantine for 14 days from last exposure, per guidance from PPHD communication.</li> <li>Quarantined ESU 13 staff member will work remotely from home, unless the staff member is unable to do so due to illness or due to the position.</li> <li>If the quarantined staff member is unable to work remotely, due to a confirmed case of the virus, the staff member will apply for FFCRA and/or sick leave.</li> <li>The staff member if quarantined must submit a return to work letter from PPHD.</li> </ul>
Visitor who has entered our building and has a confirmed case of COVID-19.	<ul> <li>ESU 13 will confer with PPHD to determine whether a closure of the building is necessary.</li> <li>A case investigation will be completed to determine if any employees are close contacts to the positive case. Close contacts will be quarantined for 14 days from last exposure.</li> <li>A more restrictive environment (elevated risk dial operational zone) could be implemented or the building could be closed to allow for cleaning. The length of the closure will be determined through consultation with PPHD and the Administrator to ensure a safe re-entry to the facility for staff.</li> <li>The sanitization plan will be executed by the Facility Team to "deep clean" and sanitize the building.</li> <li>If the facility is closed, staff members will begin working remotely.</li> <li>Reopening communications will be provided to staff through email and Phonevite.</li> </ul>

NOTE: In lieu of self-quarantine at work, the employee can work while wearing a mask, social distancing, and recording symptoms twice daily. When not at work, the employee is in self-quarantine.

The following procedures are actions that ESU 13 is implementing to keep our students and staff safe.

## REMINDERS FOR ALL...

- 1. If you have symptoms of cough, shortness of breath, fever, body ache, headace, loss of taste and smell or feel ill....STAY HOME!

  2. Wash hands and regularly use hand sanitizer.

- 3. Wear a mask in accordance with the guideline below.
  4. Positive case of staff member or students, ESU 13 will follow guidance from PPHD

ACRONYMS	DHM - Directed Health Measure	PPE - Personal Protective Equipment	PPHD - Panhandle Public Health District

	Low Risk of COVID-19 Spread	Moderate Risk of COVID-19 Spread	High Risk of COVID-19 Spread	Severe Risk of COVID-19 Spread
OPEN/CLOSURE STATUS	The Governor and/or Health Department have no closures in place.  ESU 13 open.  This Level will be determined based on the school district service area closure status and local public health department.	Follow Governor and/or PPHD closures, gathering size, and social distancing requirements.  ESU 13 open.  Home visits should take place in person with restrictions, listed below, unless a prior plan has been approved by the direct supervisor. This may include alternative means but not limited to Zoom, telephone, teleconference. Zoom support would be provided if the family requests this as an alternative.  When home visits are the best means for contact, a provider will always complete visits using the guidance of the higher county. Services will not be provided in multiple counties a day unless they are at the same level.	Staff will report to ESU 13 following proper screening guidance from administrator or direct supervisor.  Note: Any service changes need to be clearly communicated with families.  Child Care Program: If open and welcoming visitors, our staff may provide services using the most restrictive PPE. If not accepting visitors, alternative means are determined by staff member and Director.  In-Home Services: Preference in order as follows:  1. First preference is all services performed at an alternative location (schools, government building) or via Distance Learning (Zoom).  2. If #1 is not possible, a hybrid model of inhome and alternative means to reduce the amount of contact exposure.  3. Finally, if alternative means are determined not appropriate by staff member and director, staff members may provide services in home using the most restrictive PPE upon receiving the Director's approval.	Regional closure may or may not be declared by the Governor or PPHD.  Closed to students.  Staff is prohibited from entering ESU 13 building(s) without pre-authorization from ESU Administrator or Designee.  Home visits via alternative means including but not limited to Zoom, telephone, teleconference may continue based on student/family agreement.
PERSONAL PROTECTIVE EQUIPMENT (PPE)	Staff will be required to wear a mask during all home visits. PPE will be provided by ESU 13.  Sanitize in and out.  Monitor own health.  Pre Screening calls.	ESU 13 provides a COVID-19 sanitizing kit for staff members that perform home visits. Each person will have their own kit in a plastic tote which may include disposable masks for families that do not have them, thermometer, a large and small sanitizer, disinfecting wipes, alcohol wipes, disposable gloves, disposable masks, paper bag for masks, Glad Press'n Seal, screen cleaning wipes, and a box of garbage bags.  Provide information/education to families (e. g. PPE and hand hygiene).  Staff and home visit participants must wear a mask. Allow the family to see you prior to putting your mask on.  Limited exchange of documents during the visit. Electronic signature is preferred, but if not possible, limited contact in the process. Sanitize items after a visit.  Cover shared devices with Glad Press'n Seal between each home visit and sanitize with screen cleaner.  Use hand sanitizer prior to entering home and immediately upon leaving home.  Remove masks prior to entering your vehicle.  Clean shield with bleach mixture or hand sanitizer.	If absolutely necessary to go into a home: Use approved Personal Protective Equipment (i.e. masks and items in the sanitizing kit)  Rotate approved mask according to prescribed instructions.	

ASSESSMENTS	Confirm visit ahead of arrival.  Use screening questions when communicating with the family/guardian.  Sanitize in and out.  Monitor own health.	When appropriate it is recommended to complete assessments within the following priority locations:  1) Complete assessments within the local school district building; if possible.  2) The home, if necessary, with precautions.  3) Other agreed upon locations. 4) Other alternatives approved by the direct supervisor.  Confirm visit ahead of arrival  Use screening questions when communicating with the family/guardian.  Sanitize in and out	Assessments will only be conducted via distance methods (i.e. Zoom, telephone, teleconferencing).	Assessments would be done via alternative means including but not limited to Zoom, telephone, teleconference.
LOCATION OF SERVICE	Use screening questions when communicating with the family/guardian.  Sanitize in and out.  Monitor own health.  Take temperatures of all Home Visit meeting participants prior before entering the home.	Monitor own health  Home visits can be completed if the family completes the Pre-screen and meets requirements. Individuals must agree to wear PPE. (children three and under are not required to wear a mask.  Recommended to complete assessments within the local school district building; if possible.  Ask family questions found in screening guidance. If answer yes to any, complete visit via alternative methods.	Staff will report to ESU 13 following proper screening guidance from administrator or direct supervisor.  Note: Any service changes need to be clearly communicated with families.  Child Care Program: If open and welcoming visitors, our staff may provide services using the most restrictive PPE. If not accepting visitors, alternative means are determined by staff member and Director.  In-Home Services: Preference in order as follows:  1. First preference is all services performed at an alternative location (schools, government building) or via Distance Learning (Zoom).  2.
